

## ***PROFESSIONAL IMMERSION INTERNSHIP AT IPROPELLER***

*We focus on societal challenges to create 'shared value', i.e. economic and social value at once*

iPropeller is a **boutique consultancy in shared value and social business innovation**, offering services to support companies to innovate towards creating economic and social value at once. We offer an end-to-end service portfolio for companies who want to explore, strategize, innovate, upscale, improve and measure how they can tackle urgent societal challenges in an entrepreneurial way. More info on [www.i-propeller.com](http://www.i-propeller.com).

We offer a unique environment to gain experience and increase your network within the sector of social business innovation and social entrepreneurship in an international context.

### **Job description**

- **Supporting our work towards clients:**
  - Research (desk research, benchmarking, actor mapping) and deliverables development
  - Assistance with open innovation and co-creation methods
  - Run focus groups with beneficiaries
  - Liaising with third sector, academic and government stakeholders
- Assisting in **thought leadership activities**
